

**Minutes of Board November 10, 2021**  
**7:00 p.m.**  
**Star Valley Conservation District Office**  
**61 E. 5<sup>th</sup> Ave. Afton, WY 83110**

**Regular Meeting**

Rollin Gardner called the meeting to order at 7:00 p.m. In attendance were Rollin Gardner, Shane Crook, Jeff Johnson, Harv Erickson, Kay Lynn Nield.

**Minutes:** Minutes will be reviewed at the next meeting.

**Financials:** Financials were reviewed.

**Agency Updates NRCS: none**

**Unfinished Business:**

- Greys River Forest Collaborative:
  - Chuck Butterfield has his breakout groups done and is doing training with them on what he wants them to accomplish. Meeting will be Monday, December 13<sup>th</sup> at the Afton Civic Center.
- Swift Creek Restoration Project-Max Merritt/Larry Nield.
  - Kay Lynn Nield has been working with contractors for final grading. This took place the week of October 18. We had to find sources for some fill material. Kay Lynn found fill that will work. Avail finished final grading. Avail lost the seed that they had so Kay Lynn re-ordered. They ordered extra to make sure that they had enough. There were issues with the seed. The seed company substituted other seed because it was the end of the season. Adam Clark and Janessa Julson were able to work out those problems with the seed. Adam Clark was able to put in stakes for the final shrub planting. Kay Lynn Nield met with Colter Perry to show him where to put holes in for shrub planting. The project looks really good. Max Merritt is putting the lane across now that the grading is done. Larry Nield put in his fences too.
- WACD convention is November 29-Dec 1, 2021. Rollin Gardner and Kay Lynn Nield will be attending.
  - SVCD board finished the land use plan. Kay Lynn Nield will work on getting public notices sent out.
- Motion to adjourn by Harv Erickson  
Adjourned at 8:30 pm
